

# Guests of the Guest House 1937

Season 1937

Mr & Mrs Clarence Bailey

1568 Wendell Ave Schenectady, N.Y.

And now we leave you

Reluctant to the last -

Three peaceful weeks mine lived within your walls

Mornings - sunset - grey clouds - hot sun

Send us refreshed to face the winter months

How can we thank you for all you've given us?

Of rest - contentment - good food - good cheer - good air!

May we return another year - and years

To your warm welcome?

Gratefully - Anita Bailey

Mr. and Mrs. J. N. Hogue jr

28 Chestnut St. Apt. 1

Schenectady, N.Y.

How pleased we were with the comforts of the little guest house, the associations and the excellent food, not by any means overlooking the old swimming hole. We are grateful to you, Miss Broner, for your efforts to make our stay so enjoyable. J. N. Hogue jr
